

# Opportunities in Film & Fiction

## MFA Scholarships

Awards of up to \$10,000 for young filmmakers & writers whose work advances a freer society.

*Application Deadline: January 15*

## Internships

Paid internships in film, production, animation, television, and new media. Internships include a career workshop and opportunities for professional networking and mentoring. Placements are available in the spring, summer, and fall.

*Application Deadlines: November 15, February 15, July 1*

## Conferences

Free week-long summer seminar offering intellectual and career development sessions for students and young professionals interested in advancing liberty through narrative.

*Application Deadline: March 31*

## Networking

IHS hosts receptions across the country and has an alumni network of successful professionals in the industry.
