

# Morality, Capitalism, & Freedom

July 24-30 at Wake Forest University, Winston-Salem, NC

**How does capitalism influence politics, ethics,  
and other social concerns?**

Consider the free-market system from philosophical, historical, and economic perspectives during a weeklong seminar for students and recent graduates. Enthusiastic faculty will analyze the current economic crises and explore the morality of capitalism and its influence on the organization of free societies. Discuss the works of philosophers such as Aristotle, Adam Smith, Ayn Rand, and Friedrich Hayek.

**Apply by March 31**
